## Kanlux MERA CCT

this is a modern fitting with  
adjustable light colour

**Option to change colour  
temperature  
3000/4000/6500K**

Three colour temperatures allow  
perfect lighting adjustment for the  
kitchen, wardrobe, or workshop.

## Kanlux MERA CCT

### TWO TYPES OF CONNECTORS

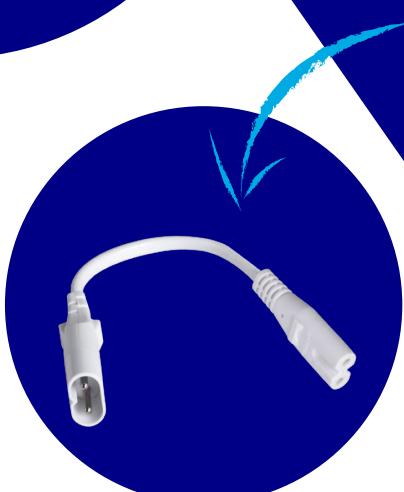

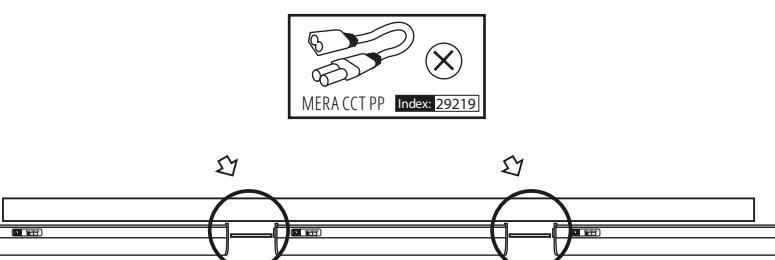

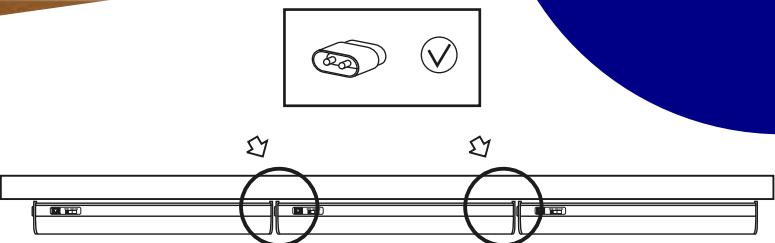

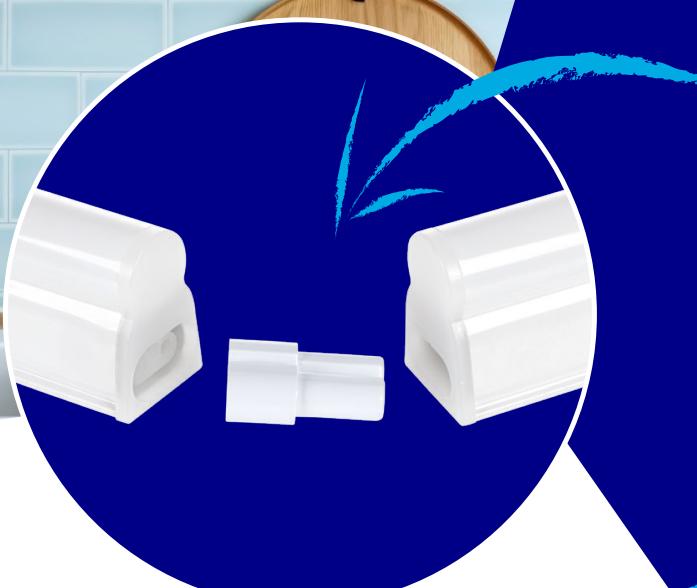

– convenient fitting connection

#### SHORT

for neat joining of fittings  
without gaps (included)

#### LONG

Flexible, allowing connection of  
fittings over longer distances or on  
uneven surfaces  
(accessory – 29219 MERA CCT PP).
