Illuminazione a binario

**Kanlux LTL-E  
TRACKLIGHT**

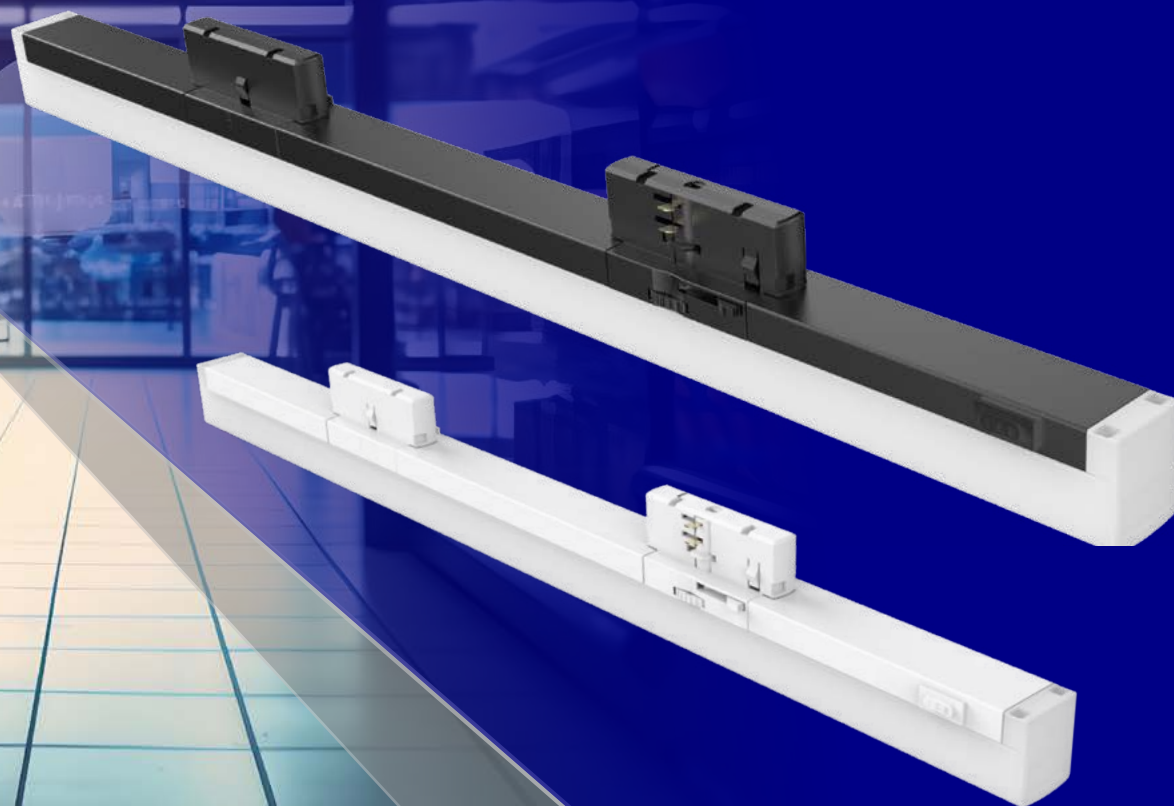

The advertisement features a background image of a modern grocery store aisle with tall shelves stocked with various products. The floor is made of large, light-colored tiles. A diagonal blue graphic element divides the image. In the top left corner, the 'Kanlux' logo is displayed in a stylized blue font. On the right side, against a dark blue background, the product name 'Kanlux LTL-E' is written in large white letters, followed by the description 'serie di proiettori da binario i:'. Below this, two bullet points in white text list the product's features: color options (white and black) and dimensions (60 cm and 120 cm). At the bottom right, two track lighting fixtures are shown: a black one and a white one, both with adjustable spotlights attached.

e i termini consultabili sul sito [kanlux.com](http://kanlux.com)

The advertisement features a large, bright, continuous light fixture (LTL-E) installed in a modern interior space with a wooden pillar and a concrete wall. The fixture is shown in a close-up, highlighting its modular design and the uniform light output. The background is a deep blue, providing a high contrast for the white text and the light fixture. The Kanlux logo is prominently displayed in the top left corner.
