KANLUX ARBOREA

A series of **designer** fixtures
that add style and unique
character to any interior.

Kanlux

Kanlux ARBOREA

Created with a unique interior in mind

Designer lighting fixtures made of durable aluminum profiles with an elegant wood-effect finish.

The minimalist form and natural character create an atmosphere of harmony and timeless style in interiors.

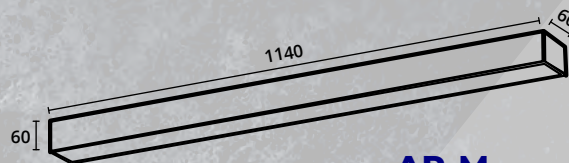

Perfect for modern spaces where functionality meets aesthetics.

The image is a product advertisement for Kanlux ARBOREA LED. It features a close-up of a white, textured LED strip light with a wood-grain pattern. The strip is shown in two different wood-grain finishes: light brown and dark brown. The background is a dark, textured surface. The Kanlux logo is in the top left corner. The product name 'Kanlux ARBOREA LED' is in the top right. Below it, 'BRW' and 'GW' are in separate boxes, followed by '2 colour versions'. Two white boxes with black text label the wood-grain effects: 'LIGHT BROWN WOOD EFFECT' and 'DARK BROWN WOOD EFFECT'.
