FΔCTORY

KANLUX VERTILES

La nuova gamma di apparecchi di illuminazione è un perfetto equilibrio tra estetica e tecnologia. conferisce agli interni un carattere più distintivo.

Kanlux

Kanlux VERTILES

**Scopri una nuova dimensione
della luce che rompe gli schemi.**

Corpi illuminanti progettati per una funzionalità ed un'estetica ancora maggiori. Un elemento di fissaggio innovativo conferisce loro un carattere unico, facendoli risaltare rispetto alla linea di prodotti esistenti.

Grazie al suo design accurato, l'installazione è rapida e semplice, mentre l'aspetto complessivo è moderno ed elegante.

È una perfetta combinazione di qualità, nuova forma e praticità.

The image shows four parallel strips of Kanlux VERTILES LED flooring, each with a different finish: dark brown wood grain (BRW), light brown wood grain (GW), white (W), and dark grey/black (B). A white diagonal line runs from the top left towards the bottom right, separating the wood-grain finishes from the solid color finishes. The Kanlux logo is in the top left corner.
