

Ceiling-mounted spotlight fitting

IP
65

KANLUX AQILO represents our first surface-mounted luminaire with an IP65 rating. It is characterised by simple design and available in three colours: white, black and graphite. The high tightness is intended for rooms where lamps are exposed to increased humidity and the risk of flooding with water, e.g. bathrooms and kitchens as well as external areas of the house, such as terraces, balconies or covered entrances. Choose your own light source to match the Kanlux AQILO lamps.

GENERAL DATA:

Colour: black

Place of assembly: ceiling mounted

Place of application: Indoors and outdoors

Minimum distance from the illuminated object: 0,5m

Height [mm]: 90
