BART EL-235

A modern, cylindrical outdoor light fixture with a rectangular mounting plate. The fixture is dark grey or black, with a cylindrical body and a rectangular mounting plate. The mounting plate has a small circular hole. The cylindrical body has a wide, flat top surface that serves as the light source. The fixture is shown against a plain white background.

Technical drawing of a 1/2 inch NPT female plug. The drawing shows two views: a side view and a top view. The side view shows a cylindrical body with a diameter of $\varnothing 65$ mm and a total length of 143 mm. The top view shows a circular face with a diameter of $\varnothing 65$ mm and a central hole with a diameter of 85 mm. The distance from the center of the hole to the top edge of the body is 115 mm.
