GAVI LED18 SMD-WW-C/M

GAVI LED18 SMD-WW-C/M	19761	0.8	chrome matte	42	2800-3200
-----------------------	--------------	-----	--------------	----	-----------

Kanlux GAVI LED are furniture fittings made of glass and steel. Unpretentious colour scheme allows them to discretely fit into the place of assembly. Kanlux GAVI LED holders have an integrated source of light

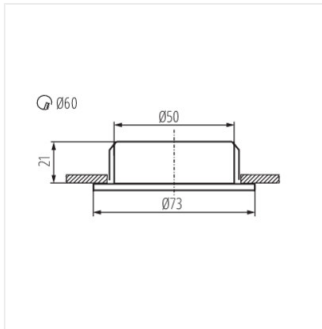

- an electronic 350-mA DC power supply unit is required for proper functioning, e.g. ADI 350 or RICO available from Kanlux
- Enclosure material: steel
