ALREN R DTL-W	26758	max 35	white	in two axes	60/60

Kanlux ALREN R decorative rings have an interesting shape of fixtures never before seen on the market - eyelets with rounded corners. The possibility of 60-degree adjustment in two planes is an unquestionable advantage. The Kanlux ALREN R is supplied without a socket.

- Decorative ring without a ceramic frame
- Enclosure material: aluminum alloy
