## Kanlux AVAR CCT

Kanlux AVAR CCT is an innovative LED lighting frame that combines modernist design with advanced technology. Thanks to the adjustable colour temperature (3000K - warm, 4000K - neutral, 6500K - cold), you can adjust the lighting to your needs and create the perfect atmosphere in any interior. AVAR CCT provides intense, uniform light, making it perfect for offices, conference rooms, or modern commercial spaces. The unique frame design is not only an aesthetic accessory but also an effective and efficient lighting solution. Kanlux AVAR CCT is a perfect alternative to traditional LED panels, offering durability, energy efficiency, and high style. AVAR CCT lighting frames are covered by a 5-year warranty, ensuring long-term and trouble-free use.
