Kanlux AVAR O 6060

Kanlux AVAR O is a modernist LED lighting frame that stands out with its unique, round shape. Thanks to this, it fits perfectly into modern office and commercial interiors, serving as an elegant alternative to traditional LED panels. AVAR O provides intense, uniform light with a 4000K neutral color. It's a perfect solution for offices, conference rooms, or interiors requiring functional yet stylish lighting. Kanlux AVAR O is a combination of durability, energy efficiency, and aesthetics, making light not only a practical element of the interior but also a decorative one. AVAR O lighting frames are covered by a 5-year warranty, ensuring long-term and trouble-free use.

- 5 years Warranty under the terms of the warranty statement, available on our website
- Panel/frame material: aluminum alloy
