## Kanlux AVAR N LED

Kanlux AVAR N is the latest version of our LED panels, delivering an impressive amount of light (a luminous flux of 3700 lm!). The luminaires have a power rating of 32W and a luminous efficacy of nearly 120 lm/W. Kanlux AVAR N panels are ideal for office spaces, hotels, or lighting communication routes, although their innovative design will certainly appeal to those looking to use them in residential interiors as well. Backed by a 5-year warranty, Kanlux AVAR N panels offer a solid and durable construction that ensures long-lasting performance.

- 5 years Warranty under the terms of the warranty statement, available on our website
- Panel/frame material: aluminum alloy
