

Kanlux

Kanlux TP SLIM TW LED

Kanlux TP SLIM TW is a small hermetic luminaire that can be wall or ceiling mounted. Convenient assembly is ensured by adjustable clamps and quick connect fittings, which are included in the luminaire. The IP rating of IP65 and the IK rating of IK 08 allow the luminaire to be used in industrial rooms, warehouses, car parks, and garages. In addition, Kanlux TP SLIM TW luminaires can be connected into lines. Twelve and ten luminaires can be connected for 40W and 50W versions respectively.
