Kanlux BRAVO S/SU panels are specially selected components for even greater satisfaction with their use. Aluminium framework, specially selected LED diodes, reflector and diffuser distracting light are just some of the assets of Kanlux BRAVO LED S/SU panels. High luminous efficacy (100lm/W) is another asset of these panels. Kanlux BRAVO LED panels do not have any power supply included.

- The correct LED power supply available in the KANLUX range is required for proper operation
- LED panel without power supply included
- Enclosure material: steel
- Lampshade material: plastic
- Panel/frame material: aluminum alloy
