Kanlux PORTOS LED is a facade luminaire. Thanks to it, you can illuminate the facade and highlight the property number. Kanlux PORTOS LED in its universal form perfectly fits any surface. Perfectly smooth walls add character, and on facades such as brick, cladding board or structural plaster, it emphasizes the shape and brings out their uniqueness. Kanlux PORTOS LED is a durable and resistant to external factors luminaire that can be used both indoors and outdoors, without fear that moisture and dust will reduce its work efficiency. The Kanlux PORTOS LED SE version of the luminaire has a built-in dusk sensor and fixtures turns on automatically after dark.
