

## Kanlux MERA CCT

The Kanlux MERA CCT is an under-cabinet fixture with a choice of light color temperatures (3000K, 4000K, 6500K). Available in four lengths ranging from 30 to 120 cm, it allows you to create light lines with up to five fixtures connected through a loop. An adjustable tilt angle allows for precise light direction, making the MERA CCT a practical and aesthetically pleasing lighting source in kitchens, offices, or studios. MERA CCT fixtures are covered by a 3-year warranty.

- 3 years Warranty under the terms of the warranty statement, available on our website
