

Kanlux OFIS S LED is a family of luminaires produced at the Kanlux Factory. They are the perfect combination of effective lighting and modern design. They have a wide range of parameter selection, ensuring full adaptation to the customer's needs, and at the same time are universal in use. Equipping the luminaire with control electronics (DALI system, CASAMBI ready) allows for intelligent lighting management in every facility.

- 5 years Warranty under the terms of the warranty statement, available on our website
