Kanlux DAIBO LED are universal table lamps. They are characterised by a very simple design and universal color - white or black version. It is worth mentioning that the lampshade is movable. Therefore, regardless of whether you place the lamp in the centre of a table or on its side, you can always direct the stream of light to the desired point. Kanlux DAIBO LED can also provide ideal illumination in the evenings and can be placed on a bedside table.

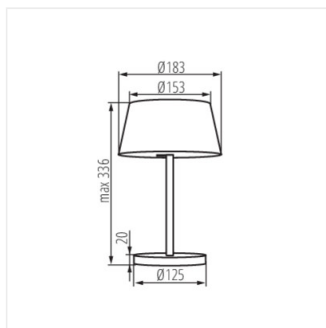

- Enclosure material: plastic
- Lampshade material: plastic
