A decorative version of a “true LED bulb”. Kanlux XLED in this exceptional version will help you create a very cosy atmosphere. All thanks to a very warm colour of the light and an amber glass in which a spiral LED filament is enclosed. This bulb will become a decoration of your house, café, restaurant and any other place in which you will install it. It is an exceptional combination of a decorative nature, vintage style and modern energy-efficient LED technology.

- Lampshade material: glass
