Kanlux VIMO luminaires series is characterised by a unique shape bringing to mind lanterns. These garden lamps with a replaceable light source are available in two colours: matte black and bronze (copper). Kanlux VIMO consists of two sizes of posts and a wall lamp, including a version with a motion sensor. This unconventional shape and IP44 tightness class will make Kanlux VIMO lamps look great in every garden or house environment.

- Enclosure material: aluminum alloy
- Lampshade material: PC
