Kanlux PARCOLI CCT

Paracoli are outdoor, modernist and energy- efficient fixtures designed to illuminate parks and alleys. The fixtures offer power adjustments (30W,40W,50W) and colour temperature (3000K, 4000K, 6500K), ensuring optimal lightning conditions. High luminous efficiency in the range of 160 lm/W, weather resistance IP66, the adjustable 60° angle ensures optimal functionality and IK08 durability. Simple, pole-mounted or bracket-mounted installation and ENEC certification confirm the quality and safety of the product, backed by 5-year warranty.

- 5 years Warranty under the terms of the warranty statement, available on our website
