VORA SP 20 GR

VORA SP 20 GR **36565** max 7 PAR16 LED GU10 graphite

Kanlux VORA is an outdoor luminaire with a replaceable light source (GU10 base). Its portable nature (mounted in the ground with a spike) enables changing the arrangement of light illumination. Solid and aesthetically pleasing workmanship, exclusive appearance, modern design and a head with a flange that limits light scattering are just some of its advantages.

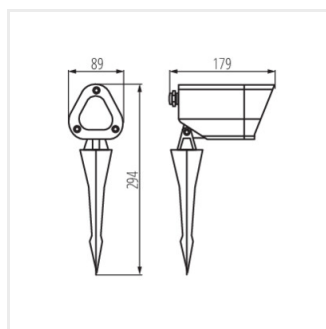

- Enclosure material: aluminum alloy
- Protective glass material: PC
