STONO MILK GRL 6M LED

STONO MILK GRL 6M LED **38031** max 10 10 x max 35 2500

The Kanlux STONO MILK GRL festoon light is a reliable decoration for every season, perfect for the garden, terrace or balcony. With easy assembly and 10 light balls arranged on a 6-meter cable, it provides a unique visual effect. It is made of high-quality materials, and its durable PE lampshade makes the light durable and effective. The possibility of vertical and horizontal installation gives you freedom in arrangement. With a high degree of protection IP67, it is resistant to weather conditions. Perfect for lighting gardens, terraces, balconies, as well as restaurants, summer gardens and banquet halls. Power supply via connection to the socket ensures convenient use.

- Enclosure material: plastic
- Lampshade material: plastic
