We present the modern Kanlux PLAVE ceiling lamp, which will not only illuminate your rooms, but will also adapt to your mood and needs. This versatile ceiling fixture allows you to adjust the color and intensity of light, so you can create the perfect atmosphere for any occasion. Additionally, the night lighting mode provides gentle lighting in the dark, perfect for a bedroom or corridor. What's more, Kanlux PLAVE has a built-in fan with five-stage airflow power regulation, ensuring air circulation in the room. Controlling all functions is extremely simple thanks to the included remote control, which allows convenient operation of the lamp. What's more, Kanlux PLAVE is friendly to your wallet, consuming a maximum of about 60W at full light intensity and maximum fan speed.

- Enclosure material: plastic
- Lampshade material: plastic
