## Kanlux SOLN LED CCT

Kanlux SOLN LED CCT DIM are elegant ceiling lamps that combine functionality with decorative appeal. Equipped with adjustable light color (2700K, 4000K, 6500K) and a dimming function, they allow you to tailor the lighting to your mood and needs. With a luminous flux of up to 1460lm, the fixtures guarantee comfortable lighting in both bedrooms and living rooms. An additional advantage is the Night Light mode, providing a gentle night light with a color temperature of 3000K, and the Sunset Light mode, which brings a soft, warm light inspired by the sunset. This function helps you unwind after a busy day, creating an atmosphere conducive to rest, relaxation, or evening reading. The fixture has a 380mm diameter and subtle color finishes (white, black, gold), making the SOLN LED a practical and stylish light source.
