## Kanlux NOBEN CCT

Kanlux NOBEN is a line of luminaires designed for versatility and simplicity of use. Thanks to the possibility of adjusting the power (in the 120 cm version: 24 W/30 W/36 W, in the 150 cm version: 26 W/34 W/42 W) and selecting the light colour (3000 K, 4000 K, 6500 K), one luminaire can perform various functions depending on the needs of the space. Luminous efficacy of up to 110 lm/W ensures efficient lighting, and IP54 protection allows for use in rooms with high humidity. The slim, flat design and quick connect fittings in the connection compartment make installation rapid and convenient. A service life of 30,000 hours and 30,000 on/off cycles guarantee reliable operation, and a 3-year manufacturer's warranty ensures long-term use.

- 3 years Warranty under the terms of the warranty statement, available on our website
