## Kanlux LCOB 10,5W/M

Single-colour 24V Kanlux LCOB 10.5W/m LED strips are available in RED, GREEN, or BLUE versions. The high diode density (480 per metre) provides an even lighting effect with no visible light points, making them ideal for decorative illumination and modern lighting installations. Available in IP00 and IP65 versions, supplied in 5-metre rolls and backed by a 3-year warranty, they offer a simple and stylish way to create atmospheric lighting arrangements

- 3 years Warranty under the terms of the warranty statement, available on our website
