Kanlux AVAR W U 6060

Kanlux AVAR W U 6060 32W-CCT is an extended version of the popular AVAR luminaires, distinguished by its modern design and wider diffuser. The CCT function (3000K / 4000K / 6000K) allows the light colour to be adjusted to suit the space, while the microprismatic diffuser ensures a low glare level (UGR <19), making the fitting suitable for use in offices and commercial environments. A lifespan of up to 50,000 hours, along with a 5-year warranty, confirms its reliability in everyday use.

- 5 years Warranty under the terms of the warranty statement, available on our website
- Panel/frame material: aluminum alloy
