Kanlux ALTEAR SET 1,5M

Kanlux ALTEAR SET are complete starter kits for the TEAR 1F track lighting system, designed to enable quick and easy installation of a full lighting setup. Depending on the variant, the sets include a 1 m or 1.5 m track, an appropriate number of spotlights, an external power connector, and finishing elements such as end caps and a cover. The kits are available in two colours – white and black – making them easy to match with a variety of interiors.

- 5 years Warranty under the terms of the warranty statement, available on our website
