## Kanlux TAVO LED

Kanlux TAVO LED rappresenta una nuova famiglia di faretti da incasso. Sono disponibili in due forme (tonda e quadrata) e ben 5 diverse potenze - da 5W a 24W. I Kanlux TAVO sono caratterizzati da un design minimalista e "nordico". Ulteriori vantaggi sono un grado IP44 / 20, nonché la possibilità di montaggio a superficie dei modelli 12W e 18W attraverso l'utilizzo delle apposite cornici Kanlux TAVO FRAME.
