La striscia LED Kanlux LCOB è unica. Ha un'efficienza luminosa molto elevata (fino a 110 lumen da un watt) e una garanzia di 3 anni. La sua caratteristica predominante è una striscia di luce continua: non è puntinata ed è priva di interruzioni, nessun punto luminoso è visibile. Il nastro Kanlux LCOB emette una luce uniforme indipendentemente dalla profondità del profilo e dalla trasparenza del diffusore.
