Kanlux INVO TR je rad architektonických svietidiel s vymeniteľným zdrojom svetla GU10. Vonkajšie stĺpiky a fasádne svietidlá veľmi efektívne rozptyľujú svetlo nielen v záhrade, ale taktiež rozjasňujú uličky, chodníky alebo turistické trasy. Každé svietidlo má priestor pre 3 zdroje svetla.

- Priehľadné tienidlo
- Materiál korpusu: plast
- Materiál difúzora: plast
