PIXA KT-40-W **19300** max 40 white

Kanlux PIXA is a cult desk lamp with a replaceable light source. Its structure allows directing the light stream into any direction with the reservation that the lampshade of the lamp reduces its falling aside. This lamp will perfectly fit into each type of interiors - from a child's room to a desk in an office of a president.

- Enclosure material: plastic, Metal
- Lampshade material: Metal
