

Ring for spotlight fittings

5905339267450

The Kanlux NESTA eyes are available in a version with a movable ring, allowing to direct light into a given side and with an immovable ring. The holders intended for building in a ceiling work well as additional lighting both at homes, in coffee shops and in restaurants, in places where you want to emphasize an interesting arrangement of a room. These holders combined in a group can also successfully perform the function of main light.
