Kanlux ADTR PT flush-mounted frames are specially designed for BLINGO, BRAVO, KIENO, and OS RX fixtures. The frame allows for secure and aesthetically pleasing installation of the LED panel in drywall ceilings, ensuring stability and an elegant final appearance. The product comes pre-assembled, which significantly reduces installation time. The set includes mounting springs that enable quick and easy installation without the need for specialized tools. ADTR PT is a solution appreciated by both professionals and DIY lighting installers.
