Metal floor box BIURO plus is designed for installation in screed floors. This is a box for 1.5 of full 45 modules or three 22.5 half modules. The box set includes a cover protecting it in the case of screed finishing. The box lid has a release trigger, the use of which activates the spring mechanism and opens the box. There are two different designs in this product group: rectangle, rectangle with milled edge. We can choose two colour versions.
