

36432 GRIBLO 7 GR

Garden light fitting with replaceable light source

5905339364326

IP
65

The new Kanlux GRIBLO is model 7 GR, intended as backlighting for small trees, shrubs, rockeries or small architecture in the garden. Kanlux GRIBLO 7 GR is one of the few light fittings on the market equipped with a power cable terminated with a plug, which is not only convenient for the user but also complies with the latest standard for portable garden light fittings. Fixing it to the ground is very easy with a 'spike' hammered into the ground. A replaceable light source and IP65 water resistance are its additional strengths.

GENERAL DATA:

Colour: anthracite
Place of assembly: In the ground
Place of application: Indoors and outdoors
Minimum distance from the illuminated object: 0,5m
Height [mm]: 350
Diameter [mm]: 60

TECHNICAL DATA:

Rated voltage [V]: 220-240 AC
Rated frequency [Hz]: 50
Maximum power [W]: max 7
Class of protection against electric shock: I
Lampshade material: glass
Light source: PAR16 LED
Light source included: no
Cap: GU10
Ambient temperature range to which the product can be exposed: -20+35
Enclosure material: aluminum alloy
Connection type: Cable terminated with a plug
Wire length [m]: 1
The fixture is movable vertically [°]: 180
IP class: 65

LOGISTIC DATA:

Packaging method: 30
Number of units in the secondary packaging: 1
Number of units in the packaging: 30
Net unit weight [g]: 460
Grammage [g]: 551.67
Length of a unit pack [cm]: 12.5
Width of a unit pack [cm]: 8
Height of a unit pack [cm]: 17.5
