

36644 AQILO E27 IP65 DSO-W

Ceiling-mounted spotlight fitting

5905339366443

IP
65

KANLUX AQILO represents our first surface-mounted luminaire with an IP65 rating. It is characterised by simple design and available in three colours: white, black and graphite. The high tightness is intended for rooms where lamps are exposed to increased humidity and the risk of flooding with water, e.g. bathrooms and kitchens, as well as external areas of the house, such as terraces, balconies or covered entrances. The AQILO E14 IP65 and AQILO E27 IP65 models use a reflector to direct the light from the light sources downwards rather than onto the interior surface of the luminaire. As a result, luminaires can be fitted with lower wattage light sources and avoid lighting the room too dimly.

GENERAL DATA:

Colour: white

Place of assembly: ceiling mounted

Place of application: Indoors and outdoors

Minimum distance from the illuminated object: 0,5m

Height [mm]: 160

Diameter [mm]: 96

TECHNICAL DATA:

Rated voltage [V]: 220-240 AC

Rated frequency [Hz]: 50

Maximum power [W]: max 20

Class of protection against electric shock: I

Lampshade material: plastic

Light source included: no

Cap: E27

Ambient temperature range to which the product can be exposed: -20÷35

Enclosure material: aluminum alloy

Connection type: Bolt terminal block

IP class: 65

LOGISTIC DATA:

Packaging method: 30

Number of units in the secondary packaging: 1

Number of units in the packaging: 30

Net unit weight [g]: 642

Length of a unit pack [cm]: 17

Width of a unit pack [cm]: 10.5

Height of a unit pack [cm]: 10.5

Width of a cardboard box [cm]: 37
