The new series of Kanlux DERATO luminaires is reminiscent of the RETRO style. These are luminaires in two colors: white and black, which have from 1 to 4 light points. Kanlux DERATO single-point lamps will also successfully fulfill the role of a wall lamp. Large lampshades of these luminaires also offer great possibilities for the use of various light sources with an E14 cap (max 8W). Kanlux DERATO luminaires use a quick mount terminals for convenient and quick installation. An additional advantage is the very wide possibility of directing the lampshade to any place (two rotation axes: 350 and 150 degrees).
