MODERN
design

Kanlux EVALO is a family of simple spots. Scandinavian simplicity and silver elements are a highly elegant classic. The narrow lampshade houses the GU10 light sources (the set includes a suction cup that facilitates their installation). Two colors (black and white) and the number of 1 to 4 light points of these luminaires open up many arrangement possibilities. The Kanlux EVALO spotlight with 1 point is a perfect wall lamp for a desk, bed or sofa. Thanks to this arrangement, Kanlux EVALO can be used as the main and additional light. An additional advantage is the possibility of large adjustment of the light direction (two rotation axes: 320 and 90 degrees).
