RIFA LED 17,5W W/W

Kanlux RIFA LED is a unique ceiling lamp. It is distinguished from traditional lamps of this type by a material lampshade, which makes it not only practical, but above all decorative. We have prepared 4 color combinations to match your interior, and you have a choice of two light colors - neutral or warm. Kanlux RIFA LED is an ideal solution for low ceiling interiors where we need strong light, but we do not want to give up its decorativeness.
